WORK EXPERIENCE

Student internship

Institute for Circular Economy (INCIEN) [01/09/2019 – 31/12/2019]

City: Prague

Country: Czechia

The main activities I carried out during my internship were writing and editing official documents, presentation preparation and participation in various meetings, research on specific topics linked to the issue of circular economy, co-creation of social media strategy and website editing. I was well **trained** in time management and team work, communication and networking.
